**STATUS INQUIRY**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Applicants respectfully request an indication of the status of the above-referenced application. On November 18, 2004, all pending claims were allowed. However, the Examiner that "it appears that an interference proceeding with Patent 6,641,087 would be proper." The Examiner also stated that "further communications would be provided within a short period of time." However, to date, the Applicants have not received any further communications regarding this patent application. Applicants would gratefully appreciate receiving a written communication indicating the status of this case and the possibility of any possible interference proceeding.

Date: February 3, 2006

Respectfully submitted,
